For Wednesday, May 3

ARIES (March 21 to April 19) Planning ahead is boring today. Aries! Go with whatever happens in the moment.

TAURUS (April 20 to May 20) Don't let the Aries moon persuade you to do anything you don't want to do.

GEMINI (May 21 to June 20) As the moon leaves the house of Aries, it's up to you to take the initiative.

CANCER (June 21 to July 22) A run-in with an authority figure could leave you quite shaken today.

LEO (July 23 to Aug. 22) You can have a lot of fun if you set your responsibilities aside just for today.

VIRGO (Aug. 23 to Sept. 22) Dealing with a jealous co-worker could take up a good portion of your workday.

LIBRA (Sept. 23 to Oct. 22) Pay close attention to both personal and business relationships today. Libra.

SCORPIO (Oct. 23 to Nov. 21) Health problems could be an issue for you as the moon moves out of the house of Aries.

SAGITTARIUS (Nov. 22 to Dec. 21) Give yourself permission to be a child again today. Spending time with people younger than you is invigorating!

CAPRICORN (Dec. 22 to Jan. 19) Do everything in your power to make sure that your family feel safe and secure.

AQUARIUS (Jan. 20 to Feb. 18) The Aries moon makes an adventurer of you. Invite friends along to spend the day discovering something new — the more the merrier!

PISCES (Feb. 19 to March 20) It's impossible to put a puzzle together when one or more of the pieces are missing. Know when to give up.

By Bobby Wolff

"My finesses always work on Wednesdays," remarked a surprised South "For the first time in years, my horoscope has abandoned me. I lost not one finesse but two!" "You were wrong on two counts," replied North.

"Today is Tuesday not Wednesday. More important, you missed a better way to play the game." South took dummy's heart ace, led another heart to his king and ruffed his last heart. After cashing dummy's trump king, he took a losing trump finesse, and West led another heart forcing South to ruff. South drew the last trump and led the diamond king, losing to East's ace. East then shifted to the club jack to trap

South's queen, and the game suffered a one-trick set. Had South's calendar been on target, he might have found the winning play. Instead of relying on fickle finesses, he might have played for diamonds to be no worse than 4-2 and trumps to be 3-2. To succeed, South wins West's lead with his king and leads his diamond king. East wins and drives out dummy's club ace, South not playing his queen. After South cashes his diamond queen, he cashes the ace and king of trumps and ruffs a diamond. Next, he crosses to dummy's heart ace to establish dummy's fifth diamond with another ruff. Finally, South ruffs his last heart and discards a club on dummy's fifth diamond, holding his losses to only a trump, a club and a diamond.
